Chinese folk religion (Chinese popular religion or traditional Chinese religion) or Han folk religion or Shenism is the religious tradition of the Han Chinese, including veneration of forces of nature and ancestors, exorcism of harmful forces, and a belief in the rational order of nature which can be influenced by human beings and their rulers as well as spirits and gods. - Tue, 16 Apr 2019 20:07:00 GMT United States: Charlotte History of painting - Wikipedia The history of painting reaches back in time to artifacts from pre-historic humans, and spans all cultures. It represents a continuous, though periodically disrupted, tradition from Antiquity. Across cultures, and spanning continents and millennia, the history of painting is an ongoing river of creativity, that continues into the 21st century. Until the early 20th century it relied primarily ...
