CRIMINAL LAW OF THE PEOPLE'S REPUBLIC OF CHINA (Adopted at the Second Session of the Fifth National People's Congress on July 1, 1979, promulgated by Order No. 5 of the Chairman of the Managing Managed Care: Quality Improvement in Behavioral ... The most unusual aspect of the care and financing system for mental health and substance abuse is the presence of a distinct and substantial publicly managed care system that serves as a safety net. Thus, public services are available for those with public insurance, as well as for those who have ... Self-organization - Wikipedia Self-organization, also called (in the social sciences) spontaneous order, is a process where some form of overall order arises from local interactions between parts of an initially disordered system. The process is spontaneous, not needing control by any external agent. It is often triggered by random fluctuations, amplified by positive feedback. The resulting organization is wholly ... 13 Implementing Change: Organizational Challenges--Amy ... Amy Zegart. Improving organizational performance is never easy. As sociologist Jim March has noted, success requires that organizations balance exploration—the search for new ways of doing things—with exploitation, the ability to harness new practices and jettison older, less effective ones (March, 1991).
