Modernism - Wikipedia Modernism is a philosophical movement that, along with cultural trends and changes, arose from wide-scale and far-reaching transformations in Western society during the late 19th and early 20th centuries. Among the factors that shaped modernism were the development of modern industrial societies and the rapid growth of cities, followed then by reactions of horror to World War I. (PDF) The Architecture of Madness: An analysis of English ... The perception of psychiatric illnesses and the need for better institutions has been prevalent since the dawn of the "asylum era", dating back to the 18th Century. Prior to this, treatment of the incarcerated was a barbaric and unjust Literary Terms and Definitions C - Carson-Newman College This webpage is for Dr. Wheeler's literature students, and it offers introductory survey information concerning the literature of classical China, classical Rome, classical Greece, the Bible as Literature, medieval literature, Renaissance literature, and genre studies.
